

# BARISTA

## BLACK 2020

Fortune favours the brave, but history remembers the victors.

This wine is a celebration of those with the foresight to envision their future, the courage to fight for their ideals, and the providence to share the prize with those who have walked the road beside them.

### WINEMAKER'S NOTE

100% Pinotage

Grapes for the 2020 Barista Black were sourced from the best vineyards in the Western Cape.

The wine was fermented in a combination of stainless steel & concrete tanks with two gentle pump overs a day. It was then matured in oak for 16 months with 20% of the wine aged in first-fill French barriques.

### TASTING NOTE

Plums, cherries and mulberries on the nose with hints of warm baking spices. The palate has a juicy fruit core and good concentration with velvety tannins and some oak complexity. The finish is long, smooth and pleasantly dry.
